On 25.04.2007, this Court had issued notice to the respondents returnable for today. It was further directed that an amount of Rs. 50,000/- would be deposited by the petitioner and on that condition, the auction of the house in question was stayed. However, a perusal of the office report shows that process fee has not been filed. Even the counsel for the petitioner has not appeared in support of the petition.

Accordingly, the writ petition is dismissed for want of prosecution.
